1. You will grab your pencil this week, you will grab your pencil multiple times for I will come and I will speak and I will give you My words. And you will write My words, My words unto you, My words unto you to help bring you freedom; and record My freedom so that you will not forget My freedom in the freedom of My moment and the moments of My freedom that I now bring to you and bring to you even this week.
2. Be ready to grab your pencil. Be ready to speak My words and be not afraid. Be not afraid. Please, do not be afraid. **Be not afraid to fail for how else will you grow?** How else can I come? How else can I come if you are so fearful? You are so fearful.
3. Fear not, fear not what I am doing, what I am doing with those around you and doing in you, and compare not. Trust, listen, form Me, **let Me form Myself in you**, more, bigger, better stronger, that you hear Me and know Me and **write My words**. **Pick up your pencil and not be afraid to fail**--today, tomorrow, tonight and in the wee hours.
4. This week is special to Me and special to you and I come forth in joy and laughter. Enjoy what I am doing with you this day.
